To,

The Project Director, NSCA  
Centurion University  
Paralakhemundi, Odisha.

Sub: Supply of Vermi Compost.

Sir,

With reference to the above cited subject, I am to state that I visited the campus of Centurion University on 22.6.17, where I came across the Vermi compost unit of the university. On discussions with the officials involved in the execution Vermi compost it is learnt that Vermi compost is available for selling at the campus.

Hence, I would request you kindly to supply the Vermi Compost to our office for use in the plantation and watershed programme of Kandhamal district. The cost of Vermi compost <sup>will</sup> be Rs 12/- per Kg. at the block headquarter of Kandhamal & Gajapati district. If you agree, this office will be able to lift full produces of a year.

A final decision in this matter may kindly be intimated early.

Thanking you.

Sincerely yours

  
Project Director, Watersheds,  
Kandhamal and Gajapati
