**Subject: Feedback letter for performance in RPL scheme**

Ref. 6862 /D.Dun-B.O.C.W.-Skil Devlopment/2017 Date: 15/11/17

Sir,

In reference to your letter no G&G/RPL/U.K./2017-18/299 dated 24-10-2017 regarding request for feedback on RPL scheme implementation in Uttarakhand, it is stated that as per information available with us you have trained above 24000. number of workers in seven districts in Garhwal region of Uttarakhand. This is apart from the trainings conducted by you in the six districts of Kumaon region for which information can be obtained from the concerned district labour commissioner.

Please note that your performance in Garhwal region is good and we are satisfied with way your organisation has implemented the programme till now. In particular, it is appreciable that your organisation has been able to achieve the two year allotted target in one year itself. Also, the use of latest communication channels like WhatsApp to create an online group for the RPL scheme and regular sharing of photographs of trainings and assessments in progress is a good initiative.

We wish you good luck for the future and hope that you are able to further raise the standard and continuously improve your performance and work ethics for the benefit of the construction workers and the scheme.
