Dear Shri Rajagopalan,

Please refer to your letter dated 06.11.2019 on your achievement in providing job oriented skill training to the youth of this country.

I am very happy to know that the NTTF alumni are currently holding high positions climbing up the corporate ladder and that many have also become Entrepreneurs.

I would like to congratulate you and your team on this achievement which is an outcome of your experience drawn of over 6 decades and the extreme dedication to maintain quality in training. With NCVET now operational as a regulator, NTTF should be in a position to find long deserving recognition in the skill eco system.

I wish you and 'Team NTTF' all the very best and once again convey my warmest congratulations

Regards,

Krishnan
