**TO WHOMSOEVER IT MAY CONCERN**

Daksya Academy has been associated with the Apparel Made-Ups & Home Furnishing Sector Skill Council (AMHSSC) for the last 18 months.

In our interaction with the Daksya Team, we have found them to be highly motivated and making good efforts to provide quality training to the students under the various State and Central Govt. projects they have done with us. Daksya Academy has good industry linkages and makes genuine efforts to support students with quality jobs.

We wish them good luck for their future endeavours.
