KASE - PMKVY 2.0 - Training Partner wise enrollment status - Reg. > Inbox x

Sir/Madam,

Greetings from KASE (SSDM Kerala)!

I'm hereby sharing the training partner wise enrollment status for your information. Many of you had shown great commitment and had done justice to the targets allocated, by overcoming challenges like the Floods, Change of portal in between the project cycle and the pandemic Covid 19 outbreak. We would like to appreciate the Training Partners and their Team who took extra effort to enroll candidates even during lock down time, via online mobilization.

Even though KASE had allocated targets based on your requests, not all TPs were able to rise up to the expectation in terms of enrollment numbers. There are Training Partners who had surrendered 100% training Targets, without even trying to explore the possibilities of turning targets to enrollments. Some of the training Partners were forced to surrender targets due to challenges which they failed to overcome, even after taking efforts. It is also a fact that a few training partners failed to reach up to the expectations due to lack / less effort from their end.

Within two years we were able to enroll 25200 candidates. Also PMKVY 2.0 scheme enabled Kerala to have many affiliated Training Centres, ToT certified trainers and NIESBUD certified trainers. Now the focus is on converting the enrolled candidates into certified and placed candidates.

Looking forward to attain the objective of candidates certification and placement under PMKVY 2.0 scheme as well as expecting further association with the committed Training Partners in the upcoming PMKVY 3.0 as well.

Thanks & Regards,

For KASE PMKVY Team,
